

Santa Fe College Rules Manual

Title: Legal Services for Employees

Rule 2.6

General Authority: FS 1001.64(22)

Law Implemented: FS 1012.85

Effective Date: February 18, 1982

Purpose: To state that the Board may provide legal services for employees.

The Board of Trustees may provide legal services for employees who may be sued for actions which occur in the performance of their assigned duties, and the Board of Trustees may arrange for and pay the premium for appropriate insurance, enter into risk management programs, or have any combination thereof, to cover such risks.
